

DIVERSITY & INCLUSION

The West Coast Eagles Football Club welcomes staff, members and supporters of all walks of life to the club.

Diversity has been an integral part of the club since its origins and we remain committed to being an institution that fosters understanding, respect and inclusion.

We celebrate that our supporters each have different stories but are bonded through the blue and gold.

We consistently promote education and understanding throughout our Eagles family.

West Coast Eagles members are passionate, united and embrace the club values.
